IN THE

UNITED STATES OF AMERICA) INDICTMENT

v.)

WILLIAM A. WHITE)

Criminal No. 7:08 CR 54

All in Violation of:

18 U.S.C. §875(b)

18 U.S.C. §875(c)

18 U.S.C. §1512(b)(1)

INTRODUCTION

The Grand Jury charges that:

1. At times relevant to this indictment, **WILLIAM A. WHITE** lived in Roanoke, Virginia, and held himself out to be the Commander of the American National Socialist Workers Party, identifying himself as Bill White, Commander, American National Socialist Workers Party (“ANSWP”).
2. At times relevant to this indictment, **WILLIAM A. WHITE** administered and maintained a white supremacist website, “*Overthrow.com*,” and controlled the posting, editing and removing of information on that website.
3. At times relevant to this indictment, **WILLIAM A. WHITE** posted information and communications on *Overthrow.com*, intending that his postings would be read by the *Overthrow.com* audience, which included persons who agreed with the white supremacist doctrine espoused on the website.
4. At times relevant to this indictment, **WILLIAM A. WHITE** posted information and communications on an Internet chat group, *nsmamerica@yahoogroups.com*, intending that his

postings would be read by the *nsmamerica@yahoo.groups.com* audience, which included persons who agreed with the white supremacist doctrine espoused on the blog.

5. At times relevant to this indictment, **WILLIAM A. WHITE** posted information and communications on a white supremacist website, the *Vanguard News Network Forum*, intending that his postings would be read by the *Vanguard News Network Forum* audience, which included persons who agreed with the white supremacist doctrine espoused on the website.

6. At times relevant to this indictment, **WILLIAM A. WHITE** transmitted and received email communications using the following email addresses: *nationalsocialistworkers@yahoo.com*; *nsmroanoke@yahoo.com*; *answp@nazi.org*, and *dhyphe@ yahoo.com*.

7. At times relevant to this indictment, **WILLIAM A. WHITE** posted Internet communications on the above referenced websites expressing his intent to influence others to commit violent acts against persons with whom **WILLIAM A. WHITE** disagreed. Pertinent examples include the following:

A. *[Name of EW, elderly Jewish scholar who had been attacked by a white supremacist redacted] should be afraid to walk out his front door but for the rightful vengeance of the white working people he and his Holocaust lies have exploited.*

* * * * *

"For decades, the Jews and the liars have used physical force, violent attacks on peaceful demonstrators and peaceful meetings, and the violent physical force of unjust and tyrannical laws to silence those who question the Holocaust lie. If white people-are going to undo this system, we have to be ready to adapt and use the tactics of our exploiters.

"Insofar as my views may have played a role in motivating Mr[sic] [name of man who attacked EW redacted], I can only say that I hope I inspire a hundred more young white people to sacrifice themselves for our collective racial whole. The only thing more noble than sacrifice is victory.

"Heil Hitler."

B. *For those who have not heard so much about our website, please realize that the American National Socialist Workers Party is not just a website but a real world organization. We do fun stuff like start riots and kidnap famous Jews.*

C. *Plus, [name of RW Canadian lawyer redacted] has now put the idea into the head of millions of Canadians that he should be killed – along with Canada's entire Jewish population. That's worth something to. [Sic.] At the very least, it encourages the least stable members of society, who had been held back because they felt isolated in their desires, to act. Its [sic] called the copycat effect – and I expect to see acts of resistance to the Canadian government become manifest in the near future.*

D. *Then, the Canadian Broadcasting Company called and said "Well, what if someone took [personal contact information for RW Canadian lawyer] and your anti-Jewish rhetoric and did something violent to him."*

And I replied, "I hope someone does something violent to him. He deserves to be killed.

E. *I really don't have anything against people who go on shooting sprees like this [in reference to a mass-murderer who selected his victims based on race]. I'm not encouraging anyone to do so – law and order and all being necessary – but our decadent society refuses to punish so many people that are deserving of justice, that a little bit of private justice, when properly directed, as in this case, is not a bad thing at all.*

F. *We have no intention of removing [from an Internet posting] Mr[sic] [name of LP African American journalist redacted] personal information .*

Frankly, if some loony took the info and killed him, I wouldn't shed a tear.

That also goes for your whole news room.

8. At times relevant to this indictment, **WILLIAM A. WHITE** posted items

on the *Overthrow.com* website and other white supremacist forums with the intent to publicize his personal interest in carrying out violent acts. One example stated in pertinent part:

Things have become progressively worse, day by day, and I have woke [sic] up more and more often feeling the need to kill, kill, kill, and have tried to get through my day while ignoring the need to destroy the wicked.

Its not been easy.

* * * * *

Combined with this dead feeling I realized the other day that I have, almost without realizing it, though that may seem a bit strange, developed a very intricate plot for the murder of about a score of Roanoke City's Negro nuisances and their annoying counterparts at the [organization name redacted]. I know everything about these assholes - where they live, who they live with, what they look like, where they go, when they go there. I estimate I could probably, in the course of a few hours, kill fifteen out of the twenty easy if I picked the right day and time, and still lived long enough to travel the country and begin picking off the ridiculous "independent journalists" that staff the [organization name redacted] Report. I have a list of those as well.

9. On or about March 22, 2007, **JP**, an employee of Citibank in its Kansas City, Missouri offices, was assigned to handle a financial dispute involving **WILLIAM A. WHITE**'s Citibank account.

10. On or about March 21, 2007, **WILLIAM A. WHITE** made dozens of telephone calls to Citibank, attempting to identify **JP**. The next day, on or about March 22, 2007, **WILLIAM A. WHITE** made a telephone call to **JP**'s co-worker and insisted on speaking with **JP**, stating "you better make her available."

11. On or about March 22, 2007, **WILLIAM A. WHITE** called **JP**'s work telephone, leaving a voice mail, identifying himself and stating that he wanted to talk to **JP**. That evening, **WILLIAM A. WHITE** called **JP**'s home telephone, leaving a voice mail, identifying himself, stating that he wanted to talk to **JP**, and informing her that he had sent an email to her work.

12. On or about March 22, 2007, **WILLIAM A. WHITE** transmitted an email communication to **JP**'s Citibank email address, concluding with a weblink to information concerning

Judge **JL**. Judge **JL** was a judge in a case involving a white supremacist who was later convicted of soliciting the murder of Judge **JL**. In a highly publicized incident, Judge **JL**'s husband and mother were later brutally murdered in Judge **JL**'s home. **WILLIAM A. WHITE'S** email communication stated in pertinent part:

Ms [JP]

[name, age, address, and telephone number of JP and name, addresses and telephone numbers of her family members redacted]

* * * * *

In any case, if you could please fax my attorney [name redacted] the paperwork on the clearance of the derogatory information on my credit report within 24 hours, I would appreciate it. His fax number is [fax number redacted].

I understand you think you're very tough and you think that by dragging this process out you have created me a lot of misery; that is an incorrect assessment, but I must admit I have run out of patience with you and your smug attitude. I hope the fact that I've obviously paid someone to find you conveys the seriousness with which I take your current attitude.

If you resolve this issue quickly and efficiently I can guarantee you will not hear from me again; if you don't, well, you will be well known to the Citibank customers you are currently in litigation with in very short amount of time.

Again, make my life easy, fax over the letter, and you will not be hearing from me again.

Sincerely,

*Bill White, Managing Member
White Homes and Land LLC*

*PS: I took the liberty of buying the Citicard Credit Services, Inc corporate phone directory and locating information on your outstanding disputed credit accounts from an internet dealer today, and can probably make you better known to your customers than the security measures you enact at your company indicate you would like. Consider this, as I'm sure, being in the collections business and having the attitude about it that you do, that you often make people upset. Lord knows that drawing too much publicity and making people upset is what did in **JL**:*

*[weblink to information concerning Judge **JL** redacted]*

* * * * *

13. On or about March 23, 2007, **WILLIAM A. WHITE** posted an Internet communication on *Overthrow.com* that reported **WILLIAM A. WHITE**'s characterization of his email communication with **JP** on the previous day and stated in pertinent part:

*I Answer The Magic Question
What It Takes To Get Citigroup To Give You Good
Customer Service*

Commentary – Citicard, Citibank – I'm throwing all the Citis in here so this will properly be indexed by Google.

* * * * *

Folk may remember that a year and a half ago the CIT Group was forced to pay me a \$100,000 judgment for wrongful foreclosure. They reported me in foreclosure when I wasn't and wouldn't fix it, then didn't show up in court. 'Nuff said.

* * * * *

This week, I lost patience with it.

*There has been one girl at Citibank who is their head debt collector. She is in their Litigation Management division. * * * She likes abusing power. I hate people like that.*

* * * * *

It took me three hours to find that person, but find them I did.

* * * * *

It then took me two hours to figure out how to spell her last name, which is unusual. Once I did though, she was easy to find.

So I sent someone to her house last night to have a word with her. Specifically, she was told that she either [sic] did what I've been trying to get her to do and stop obstructing me or I was going to release her name, address, phone number, family members etc. onto the internet and let anonymous have a whack at Citigroup's head debt collector.

This morning the papers were pushed.

So there is the answer to the magic question of what exactly it takes to get Citigroup to give you good customer service – hunt their debt collectors down at home and show them what being tough with someone really means. Anything else, Citigroup just seems to blow off.

14. On or about May 18, 2007, African American tenants living in a Virginia Beach, Virginia housing complex elected to assert claims through the United States Department of Housing

and Urban Development alleging that their landlord was engaging in discriminatory practices. That legal action was subsequently reported in the media.

15. On or about May 23, 2007, **WILLIAM A. WHITE** caused to be mailed letters to the African American Virginia Beach, Virginia tenants described in Paragraph 14, supra. These letters displayed the letterhead of the National Socialist American Workers Party, a Nazi swastika, White's signature and title and stated in pertinent part:

*Whiny Section 8 Nigger
[addresses redacted]*

Re: Your complaint against [landlord's name redacted]

Dear Nigger Tenant:

I read today of your complaint against [name redacted]. I do not know [name redacted], but I do know your type of slum nigger, and I wanted you to know that your actions have not been missed by the white community.

For too long, niggers like you have been allowed to get one over on the white man. You won't work. You won't produce. You breed and eat and turn the world around you into a filthy hole, but you won't do anything to earn or deserve the life you live. Niggers like you are nothing new. All of Africa behaves as you do – with the difference that, there, there is no white man to exploit, only brutal nigger dictators to give the lot of you the kind of government you deserve.

You may get one over on your landlord this time, and you may not. But know that the white community has noticed you, and we know that you are and will never be anything other than a dirty parasite – and that our patience with you and the government that coddles you runs thin.

Sincerely,

/s/

*Bill White, Commander
American National Socialist Workers Party*

16. On or about May 25, 2007, the African American Virginia Beach, Virginia tenants each received **WILLIAM A. WHITE**'s May 23, 2007 letter in their Virginia Beach, Virginia home

mail boxes. These letters were delivered in envelopes bearing the name and address of each African America tenant recipient. Included in the envelope was an ANSWP magazine, emblazoned with a swastika and entitled, "The Negro Beast and Why Blacks Who Work Aren't Worth the Cost of Welfare." The magazine contains numerous articles espousing extreme white supremacist viewpoints.

17. On or about the morning of June 3, 2007, *The Miami Herald*, among other newspapers, published an opinion piece written by LP, an African American journalist who lived in Bowie, Maryland. In that opinion piece, LP expressed his views about the reaction of some of the public to a tragic and gruesome murder of a white couple by an African American gang in Knoxville, Tennessee.

18. On or about June 3, 2007, at or about 11 p.m., WILLIAM A. WHITE made a telephone call to LP's personal telephone line at his Bowie, Maryland home, spoke with LP's wife, identified himself as Bill White, the Commander of the American National Socialist Workers Party, and insisted on speaking with LP.

19. On or about June 3, 2007, at or about 11:15 p.m., WILLIAM A. WHITE transmitted an email communication to LP's personal email address that was received by LP's personal computer in Bowie, Maryland. The email communication stated in pertinent part:

Dear Mr. [LP's name redacted]:

*In regard to your column on Knoxville
[website redacted]
I can only suggest you follow the advice of
Screwdriver:*

*Nigger nigger get on the boat
Nigger nigger row*

*Nigger nigger get out here
Nigger nigger go*

*You and your fellow black filth are quickly losing
ground, and I look forward to the rapidly approaching
day when whites once again rise up and slaughter and
enslave your ugly race to the last man, woman and child.*

Itz coming.

*Bill White, Commander
American National Socialist Workers Party*

*Miami, Florida -- A nigger employed by the Miami

*[LP's name redacted], a nigger employed by the Herald, said
that those upset about the brutal rape of both white
victims should "Cry me a river ... It always amazes me
when white people put on the victim hat"*

* * * * *

*The bizarre position taken by Nigger [LP's name redacted] is typical
of the mentality fed into the semi-educated blacks,*

and self-hating whites produced by Jewish faculties at major universities. Such loathsome, ignorant creatures predominate in the Jewish owned media.

WHITE** and requested the removal of the posting of personal information about LP from *Overthrow.com* and *nsmamerica@yahoogroups.com*, **WILLIAM A. WHITE** responded by email that he would not remove the personal information. **WILLIAM A. WHITE** then posted on *Overthrow.com* a report of his email exchange with the editor, stating in pertinent part:
